**WARNING CONCERNING COPYRIGHT RESTRICTIONS:** The copyright law of the U.S.(Title17, US Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy for purpose in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copyrighting order if, in its judgment, fulfillment of the order would involve violation of copyright law.

I understand that the Riverside Public Library's \$2 search fee is non-refundable, and does not guarantee a request can be filled. I agree to pay any **additional** charges imposed by the lending library up to a maximum of \$\_\_\_\_\_.  
My request complies with copyright restrictions.
